

LMI and LGDA International Scientific Conference on Complex Lymphatic Anomalies

SPONSORSHIP OPPORTUNITIES

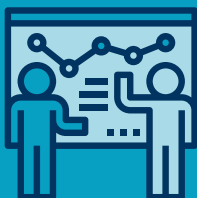

FACTS

SCIENTISTS FROM OVER 10 COUNTRIES WILL BE REPRESENTED

92% OF ATTENDEES FROM ACADEMIA, 5% FROM INDUSTRY, 5% FROM GOVERNMENT

55% OF ATTENDEES ARE SENIOR PRINCIPAL INVESTIGATORS

This is the sixth biennial international scientific conference for complex lymphatic anomalies sponsored by LMI, LGDA, and LGDA Europe. This conference will host 60 of the top laboratory and clinical scientists in CLAs, with an additional virtual audience of 200 to 250 people. The conference offers research-driven programming and networking opportunities.

Why support this conference on CLAs?

- SCIENTIFIC INNOVATION**
Support the conference that engage scientists in discussion and resource sharing to transform cutting-edge research into scientific breakthroughs.
- GAIN DIRECT ACCESS TO DISTINGUISHED SCIENTISTS**
Increase brand visibility among hundreds of research professionals representing conference attendees, speakers, and organizers.
- CHOOSE A SPONSORSHIP THAT MEETS YOUR NEEDS**
Select from a variety of packaged sponsorship plans to best showcase your brand.
- BUILD RELATIONSHIPS WITH THE FUTURE WORKFORCES**
Increase your brand visibility with junior scientists and trainees.
